

# CENTRAL PLATTE NRD GRAZING DEFERMENT COST SHARE PROGRAM

Revised (4/30/21)

The purpose of the program is to provide incentive for landowners to defer grazing in a pasture for one growing season so that a prescribed burn can be successfully applied in the following year to help in cedar reduction.

**This application will not be effective until approved by the NRD:** *All applications must be approved before project can be started.* Claims for payment will not be accepted more than one year from the date this application is approved. Claims for payment submitted but being held subject to compliance with all rules and regulations of the Central Platte NRD programs shall be held only up to 90 days. After 90 days, the claim for payment shall be considered void and the original application cancelled.

Lands eligible are annually grazed and planned to be burned the following year. All applications must be received by January 31st of each year to be eligible for funding in February. Priority will be given to lands which will be concurrently enrolled in EQIP or WHIP programs through the NRCS or are within a CPNRD focus project area for cedar reduction.

Cost share is \$30/acre with a maximum of \$30,000 per landowner. One application per landowner per year. Documentation must be provided to CPNRD that the land was deferred from grazing from March 1 through the end of the calendar year in the year prior to burn before payment will be made.
