**CENTRAL PLATTE NATURAL RESOURCES DISTRICT
RESOLUTION SETTING THE PROPERTY TAX REQUEST FISCAL YEAR 2023/2024**

In compliance with provisions of the Nebraska Revised Statute Section 77-1601.02 this Resolution was passed by majority vote of the board of directors of the Central Platte Natural Resources District at their board meeting on August 31, 2023, which followed a special hearing earlier that day to set the final tax request at a different amount than the prior year tax request.

Central Platte Natural Resources District's 2023/2024 property tax request is \$4,826,226.75. The total assessed value of property for 2023/2024 is \$ 20,642,169,013 which would require a levy of 0.023380.

The total assessed value of property for 2023/2024 differs from the 2022/2023 total assessed value of property which was \$18,752,221,861.00 by 10.08 percent;

The tax rate which would levy the same amount of property taxes as 2022/2023, when multiplied by the 2023/2024 total assessed value of property, would be \$0.021293 per \$100.00 of assessed value;

Central Platte Natural Resources District proposes to adopt a property tax request that will cause its tax rate to be \$0.023380 per \$100.00 of assessed value; and

Based on Central Platte Natural Resources District's proposed 2023/2024 property tax request, and changes in other revenue, the total operating budget of \$34,955,785.23 will be more than the 2022/2023 operating budget of \$28,448,376.11 by 22.87 percent.

A record of the vote of the Central Platte Natural Resources District board in passing this resolution is attached.

A copy of this resolution will be forwarded to the County Clerk prior to October 13, 2023.
